Creating a Leave Request

Parent Portal - Create Leave & Approve

You can create a **Leave Request** by selecting the **Create Leave Request** button on your home page in the **Running Leave Log** or by opening the **Leave Page** from the main menu.

Selecting the **Create Leave Request** button will open the **Leave Request Details** screen which sets out the details for a leave request update or submission.

- **Boarder Name** is the name of the student for whom leave is being requested.
- **Leave Type** is the type of leave you are requesting from the drop down menu.
- **Leave Departure Time** is the time and date that the student intends to depart from the school.

Note: Some leave types may have pre-set restrictions on when they can be taken and this will be reflected in the departure time that can be selected for that leave type.

- **Method of Transport (Leave)** is a drop down selector. Select the most appropriate transport method being used for the student's departure from school.
- **Return Time** is the time and date that the student is expected to return to the school boarding house.
- **Method of Transport (Return)** is a drop down selector. Select the most appropriate transport method being used for the student's return to school.
- **Host** are only parents and pre-approved hosts who are already installed on the Reach system will be displayed for selection in this field.

If the host that you want to select for a leave event is not on the selection list you need to email Boarding.Admin@scotch.wa.edu.au two days prior to the required leave so that the host can be installed onto the Reach system

- **Destination** is the leave destination. Keep this description short and descriptive. Additional details about a destination can be added to the Notes field below.

- Note: Some leave types will have some compulsory notes associated with the leave type. Air Flights for example will require you to enter the flight details so that transport to the airport can be arranged to meet the flight departures and arrivals.*
